

Institute Name: LJ Polytechnic (LJ School of Diploma Studies)

1. Title of the Activity: Autodesk Bootcamp 2025

2. Name of the Faculty/Coordinator: Mr. MohammedAzim Shaikh

3. Department / Program Name: Department of Civil Engineering, Department of Architectural Assistantship, Department of Mechanical Engineering, and Automation & Robotics Engineering

4. Date & Duration of the Activity: Date(s): 11th – 13th August, 2025:

From: 11th August, 2025 To: 13th August, 2025

5. Objectives of the Activity:

- To familiarize students with Autodesk's cutting-edge tools in Design, Engineering, and Manufacturing.
- To bridge the gap between academic learning and industry practices.
- To provide hands-on training sessions for students in Civil, Architecture, Mechanical, and Robotics domains.
- To promote project-based learning and innovation.
- To prepare students for future career opportunities through exposure to industry-ready tools.

6. Description of the Activity:

The 3-day bootcamp was conducted between 11th–13th August 2025, engaging over 380 participants.

- **Day 1 (11th August 2025):** Auditorium session for Civil Engineering & Architectural Assistantship students at LJJET Auditorium. The session introduced Autodesk tools, workflows, and industry applications in design, planning, and construction.
- **Day 2 (12th August 2025):** Auditorium session for Mechanical Engineering and Automation & Robotics Engineering students at LJSA Auditorium, followed by parallel hands-on training for Civil Engineering & Architectural Assistantship students at the Design & Innovation Centre.
- **Day 3 (13th August 2025):** Hands-on training for Mechanical Engineering and Automation & Robotics Engineering students at the Design & Innovation Centre.

The program concluded by providing all participants with exclusive access to 3 self-learning courses on the Autodesk Learning Portal, enabling them to continue their upskilling journey beyond the event. The bootcamp was highly interactive, with live demonstrations, practical exercises, and Q&A sessions.

This initiative successfully promoted learning by doing, nurtured innovation, and laid a strong foundation for future Autodesk-driven programs, including FDPs, curriculum integration, and industry collaborations.

Day 2 (12th August 2025):

Day 3 (13th August 2025):

11. Feedback from Students (if any):

Heer Modi (Sem-5):

According to me, this was the best thing held here. The class was informative. We got to know more about BIM, Revit and many other Autodesk features. While being here, we expect more such lectures with a longer duration.

Hitarth Shah (Sem-3):

We truly appreciate the effort put in by Autodesk & our college for arranging this session. It has motivated us to explore innovative digital work & has enhanced our knowledge beyond classroom learning. Thank you once again for this valuable & interactive experience. We look forward to more such sessions in the future.
